You agree to repay the debt to the Bank by the due dates set out in your credit card statement.

Your liability shall include such indebtedness incurred by an Authorized User or Authorized Person on the Account. If you or an Authorized User or Authorized Person, signs a sales draft or cash advance draft or gives the Account number or PIN to make a purchase, without presenting the Card at the time of the transaction, the legal effect shall be the same as if the Card was presented by such Cardholder/Authorized User/Authorized Person. If you do not repay your debt in full by the due date stipulated on your credit card statement, you agree to make a minimum monthly payment or any amount greater than that. Payments not made at the branch may take up to two working days to process.

You acknowledge that if you do not make payments in accordance with the terms of this Agreement by the payment due date the Bank may charge the account with a late fee which shall become part of the indebtedness. The Bank also reserves the right to block the use of your Card until proper payment is received in keeping with this Agreement and/or the monthly statement.

Additionally, if you do not make at least your minimum payment by the payment due date stipulated on your monthly credit card statement, we may, at our discretion, increase the interest rate applicable to all new and existing balances on your Account. You will pay interest on your new and existing balances on your Account at such rate as may be shown on your statement. You will continue to pay the higher rate of interest until such time as you have paid at least the minimum payment by the payment due date shown in your monthly statement for six (6) consecutive months.

Automatic Account Debit

You may ask us to debit your bank account each month on the payment due date for either the current month's minimum payment due or the full balance or a specific amount greater than the minimum payment due when you apply by completing and signing the required form. Disputes

If a dispute arises about a transaction for which you used the Card or Credit Card Cheques, it is recommended that you settle it directly with the merchant or business concerned. We are not responsible for any failure to supply, or lack of suitability or quality of, any goods or services purchased from merchants or businesses using the Card or Credit Card Cheques. You agree to indemnify the Bank in respect of all claims arising from any such dispute with or by the merchant or any third party. If this method fails, a chargeback can be initiated which we will assist you with, but make no commitment that we will resolve.

You can cancel this Agreement by telling us in writing that you want to do so and returning the Card(s) and Credit Card Cheques to us. The Bank may also cancel this Agreement by telling you in writing. Throughout the duration of this Agreement the Card(s) and Credit Card Cheques are and shall remain the property of the Bank and you are required to return them to us, or someone acting on our behalf when we request their return. Observing the Card's Expiry Date

The Card has an expiration date. You agree not to use the Card after its expiry date. If it is used, you agree to pay any debts incurred by such usage.

Credit Limit

Your Credit Limit will be advised to you when you receive the Card and will also be noted on your monthly statement. The Bank may increase or reduce your Credit Limit without telling you in advance. You agree that your debt will not exceed the Credit Limit that will be communicated to you from time to time. You agree to pay all the indebtedness and interest whether or not the indebtedness exceeds the stipulated credit limit.

You acknowledge that securities held by the Bank on any other account whatsoever to secure repayment of all moneys owed by you to the Bank from time to time shall be held by the Bank to secure the repayment of all moneys owed on the Account. The Bank may exercise its powers under the said securities in accordance with its provisions to ensure collection of all monies owed on your Account.

Pre-Authorised Payment Transactions

You are responsible for providing merchants with adequate, correct and up-to-date information for any pre-authorized payment transactions you wish to be charged to your Account including advising merchants if the Card number or expiry date changes. We are not liable if any pre-authorized payment transactions cannot be posted to your Account and you are still liable to the merchant for these transactions. It is your responsibility to contact merchants if you want to discontinue any pre-authorized payment transactions and then to check your monthly statements to ensure the transactions have been discontinued.

Special Offers

From time to time, we may make offers to Cardholders. The offers can include loyalty programs, payment moratoriums, extended payment due dates or lower interest rates for certain portions of your balance including Cash Advances, Purchase Promotions and Credit Card Cheques. A special offer may be for a limited period of time and have additional terms and conditions. These additional terms and conditions may temporarily override some or all the terms and

conditions in this Agreement. If you take any action which indicates that you are participating in a special offer, you will be bound by the terms and conditions applicable to the special offer. Once the special offer ends, all terms and conditions of this Agreement will apply including those related to interest and payments.

Your Obligation to Supply Information

You must satisfy all information requests made by us in a timely manner and provide accurate and complete information in response to our requests. Additionally, if there is a change in any of the information you have supplied to us, you must notify us of such change within a reasonable time thereafter. Failure to provide us with the required information may lead to us cancelling this Agreement.

3. OUR RIGHTS AND OBLIGATIONS

Interest on Purchases, Cash Advances & Other Charges

The interest charge on your monthly statement is calculated separately for Purchases and Cash Advances, additionally, your statement will reflect Other Charges which have been posted to your Account and which will form a part of your debt.

Interest on Retail Purchases and Other Charges

We will not charge you any interest on Purchases and other applicable Charges listed on your current statement if we receive your payment for the full balance on your current statement by the payment due date shown on your statement at our branch office, online or any other means of payment available. If we do not receive your full payment by the due date, we will charge interest at our then current annual rate on each Purchase and Other Charges from the date of the transaction to the date it is repaid in full. Interest will be payable on outstanding Purchases and Other Charges carried forward from statements prior to the current statement until they are repaid in full.

Interest on Purchases and other applicable Charges for the current Statement Cycle is calculated by using the average daily balance method. The daily balance is calculated by taking the beginning balance of Purchases and other applicable Charges on your Account, adding any new Purchases, debit adjustments for Purchases and other applicable Charges as of the transaction date, and subtracting any payments or credit adjustments applied to Purchases and Other Charges. The average daily balance is calculated by dividing the total of all daily balances in the previous Statement Cycle and all daily balances, less new Purchases and Other Charges, in the current statement cycle by the number of days in the current and previous statement cycles. The current annual interest rate will then be charged at the relevant rate if the current statement balance is not paid in full by the payment due date shown in your monthly statement.

Charges are posted to your Account at the end of your cycle as a debit. Total interest charges will be the sum of the interest charges on Cash Advances and the interest charges on Purchases and Other Charges. There may be minor variations due to rounding.

Interest on Cash Advances

If you use the Card to obtain a Cash Advance, or if you use a Credit Card Cheque, we will charge you interest on each transaction from the date of the transaction to the date it is repaid in full. Interest is also calculated on your Cash Advances using the average daily balance method.

Information about Interest Rates, Service Charges & Annual Fees

When we first give you the Card, we will also give you a copy of our schedule of fees and charges. The annual fee will appear on your first monthly statement and is not refundable. In subsequent years, annual fees will be charged on the anniversary statement each year. If we change any of these rates or amounts, we will advise you.

Application of Payments

We apply your payments first to any service charges or fees, then to transaction fees. Next, we apply them to previously billed interest charges, then to any previously billed Cash Advances and previously billed Purchases, then to any unbilled charges applied to your account. If any payment made by you exceeds the amount you owe to the Bank then the Bank may, at its option, return to you the amount by which your payment exceeds the amount that you owe if your credit card account is closed. The amount may be returned to you in the form of a cheque which will be mailed to you or by such other method as the Bank may deem appropriate.

Applying a Credit Voucher

If a merchant or business issues a credit voucher, we will reduce your debt by the amount of the voucher when we receive it.

ABMs, Internet Banking and Telephone Banking

The amount you can withdraw each day as a Cash Advance from an ABM and the availability of ABM services may vary from time to time and from one financial institution to another. We are not liable for any loss or damages you may suffer because of your use of an ABM or because of any failure to provide ABM, Internet or Telephone banking services (where available). We are not responsible for informing you of any mechanical failures of an ABM or for telling you when these services are changed or withdrawn.

Monthly Statements

Monthly statements are only prepared on business days, so your monthly statement date may vary from month to month. We will send monthly statements to the main cardholder only by Internet, electronic mail or ordinary post as we deem appropriate.

Our Right to Call in the Entire Debt

We may require you or your estate to pay your total debt immediately if you do not carry out your obligations under this Agreement; if you become bankrupt or insolvent, or die, or upon legal attachment, levy or execution against you, your estate or your property; or if the Card, Credit Card Cheque or PIN is used contrary to this Agreement.

Payment of Costs and Expenses

Should it be necessary for the Bank to enforce its rights hereunder in any legal action you will indemnify and reimburse the Bank for all costs and expenses including reasonable attorney's fees incurred as a result of such legal action.

Unenforceability of certain parts of this Agreement
